Dear Mrs. Dearborn:

Would you kindly do me a favor? You will find in the second drawer of my filing case among the things relating to the National Policy Committee a folder containing a mimeographed draft of the chapter Mr. Samuelson has written for the volume I am editing on income stabilization. I think the folder is labeled simply "Samuelson". In addition to the mimeographed paper there should be miscellaneous notes and other critical material relating to the manuscript.

Would you first show Mr. Samuelson the mimeographed document which he needs to see, prior to revising it, to determine whether it is the same draft he has.

Would you then put the draft document along with all the other material in the folder in an envelope and mail them to me at my home address, 421 Argyle Drive, Alexandria, Virginia.

I may be wanting some other material from this drawer presently. If so, I will let you know what I need. Thank you very much.

Sincerely yours,

Max F. Millikan
